

REMARKS

The Amendments Herein

Applicants have herein requested that the first paragraph of the specification be amended to include the newly issued patent number of the priority document.

No new matter has been added to the application by this Amendment nor will any search be required. Applicants therefore respectfully request entry of the amendment, despite that the application has been allowed, since the requested amendment embodies merely the correction of formal matters in a claim without changing the scope thereof.

Conclusion

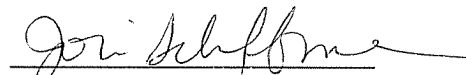

Applicants respectively submit that in view of the remarks above, all of the pending claims are in condition for allowance. Applicants therefore respectfully request such action. Should the Examiner have any questions, the Examiner is encouraged to telephone the undersigned at 312-913-3334.

Respectfully submitted,

McDonnell Boehnen Hulbert & Berghoff LLP
